## Bishop W. A. Lawrence To Officiate Advent Communion At St. Davids

This coming Sunday, the Confirmed men and boys of St. David's Episcopal Church will gather for the annual Advent corporate Communion and breakfast. Bishop W. Appleton Lawrence, former Diocesan of the area, will be the Officiant at the Eucharist. This Advent occasion is one of the chief red-letter events of the church calendar year and an occasion greatly looked forward to by the men of the parish.

Advent marks the beginning of the church year and at the beginning of the service the first of the four candles in the Advent wreath will be lit. The Collects, Hymns and Lessons proclaim the Advent of Christ and the need of the people to make Spiritual preparation for His coming. At the close of the service, the Vicar of St. David's, Rev. John S. Tyler, will issue a home Advent wreath to each parishioner family. The appropriate number of candles on these wreaths will be lit at each supper meal until Christmas, with the family repeating the appointed Collects after the saying of Grace at the table.

*Bishop Lawrence Guest Speaker*

At the fellowship breakfast following the service, the Bishop will be introduced by Mr. Warren H. Roberts, parish Keyman, and Chairman of this laymen's committee. ## THANKS FOR THANKSGIVING

Are you aware which President issued the first national Thanksgiving Proclamation?

It was Abraham Lincoln who —on October 3, 1863—called for the last Thursday in November to be observed. His proclamation said, in part:

"It has seemed to me fit and proper that they (material gifts) should be solemnly, reverently and gratefully acknowledged as with one heart and one voice by the whole American people.

"I do therefore, invite my fellow citizens in every part of the United States, and also those who are at sea and those who are sojourning in foreign lands, to set part and observe next as a day of thanksgiving and praise to our beneficent Father who dwelleth in the heavens."

## Christian Science Thanksgiving Service

Thanksgiving Day services will be held in First Church of Christ, Scientist, 599 State St., Springfield, at 11 a.m. Visitors are welcome.

One feature of the service will be a period when individual Christian Scientists stand up voluntarily to express their thanks to God in their own words.

The sermon on "Thanksgiving"—as in all Christian Science services — will consist of readings from the Bible, and also from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy. There will also be hymns and a period of prayer.

There is plenty of free parking in the Orleans Street parking lot and an elevator in the church.

## Collins Aboard USS Glacier

USS GLACIER (FHTNC) — John C. Collins, engineman fireman, USN, son of Mr. and Mrs. George H. Collins of 117 Leonard St., Agawam, is participating in "Operation Deep Freeze '65" aboard the icebreaker USS Glacier.

The Glacier, a unit of the Navy Support Force, leads other ships through the Antarctic ice to land supplies at U.S. outposts on the ice continent.

The operation consists of U.S. and foreign scientists conducting research at the "bottom of the world."

## COLLEGE NEWS

ITHACA, N.Y.—Gale A. Cote of Agawam had an important role in the Ithaca College production of Jean Giraudoux's comic fantasy, "The Madwoman of Chaillot." The play was presented by the Department of Speech and Drama for four nights in the College Theater. The play, first produced by a Broadway cast in 1948, was given at Ithaca under drama faculty direction.

Miss Cote is the daughter of Mr. and Mrs. Laurier W. Cote, 865 River Rd., Agawam. She is a freshman in the Department of Speech and Drama at Ithaca College.

Because gasoline is cheaper than hay, cowboys in Dodge City, Kansas now ride motorcycles instead of horses, according to Oil Facts. The publication says the switch was made because each horse was eating as much as \$12 worth of feed a week while motorcycles suitable for the cattle trails could be run on about \$1.50 worth of gasoline.

## a surrender to God

There's a kind of surrender that's victory. It opens the door to a new way of life. It's a way of healing. You're invited to a one-hour public lecture on this subject by Paul A. Erickson of The Christian Science Board of Lectureship. Title: "The Way to Hope and Freedom." Everyone is welcome to come and listen.

## Postmaster Advises Mail Early

A little planning during the Thanksgiving Holiday can help avoid the "Christmas Rush," Acting Postmaster Robert DeForge said today.

The Agawam postmaster has some tips which will not only put ZIP into Christmas mailing, but help local postal employees move the record-breaking mountain of mail that is expected this Christmas season.

1. Find last year's Christmas mailing list. If you don't find it, or didn't have one, make one up.

2. Check to see that all addresses are correct. The phone book is usually a good source for local addresses.

3. Wherever possible, add the ZIP Code to the addresses on the list. Because ZIP Codes speed you mail, always include the code for your area in return addresses. This is the best way to inform friends, relatives and business associates of the code number for your area.

4. Determine your list of gift purchases which must be mailed.

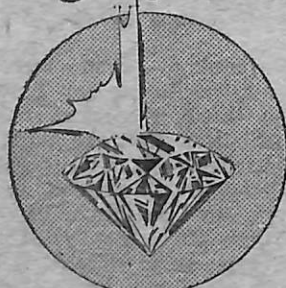

Such planning allows you to shop early when selections are greatest and you can stock up on mailing materials in advance. Be sure to purchase enough material so that parcels will be packed securely.

The postmaster emphasized that poorly wrapped and loosely packed cartons are the major cause of parcel post damage. He also suggested that the address be written on only one side of the exterior wrapping and that a duplicate address be included inside the carton, in case the outer covering is not secure and comes off.

Mr. DeForge said that the Post Office Department in Washington is predicting that a record seven billion pieces of mail will move through the postal system during the peak rush just before

"The cooperation of all mailers is vital for us to deliver each Holiday card, letter and package before Christmas Day. A little planning will make the Christmas rush less hectic for everyone," he said.

## TURKEY BONES BAD FOR PETS

Dr. C. Lawrence Blakely, director of Surgical Services, of the Mass. S. P. C. A.'s Angell Memorial Animal Hospital, Boston, says: "Turkey bones are bad for pets." The cooked bones of any of the holiday birds—turkey, duck and goose—are brittle and splintery. If these bones are given to the family pet, any one of these slivers of bone may penetrate the internal organ through which the bone passes, causing pain and perhaps death.

Almost as dangerous and just as attractive as the poultry bones are the fat-soaked pieces of twine used to truss the bird.

In spite of warnings on the dangers of these poultry bones, there are still pet owners who must rush their animals to a veterinarian late Thanksgiving night or during the next few days. Dogs and cats of all ages are seen gagging on a bone lodged in the throat or suffering from the pain of a punctured organ. Immediate veterinary help is needed if the pet accidentally eats the bones or the twine and is gagging or shows pain.

Until they are disposed of, both the twine and the bones should be kept out of reach of the family dog or cat. Be sure the outside disposal lid is secure so that other pets cannot get at the bones and at the same time scatter the contents over your lawn.

## The Business of Breathing

It's not surprising that it often requires some special event to call our attention to something we feel we should have known about all along. And when a noted British actor succumbed recently to a disease called "emphysema" many of us noticed the rather odd and unusual word used to describe the cause of Sir Cedric Hardwicke's untimely death.

Emphysema—what is it?—we wondered.

The answer isn't as simple as physicians and others who combat this and related respiratory ailments would like it to be, but it is simple to this extent. Many persons have difficulty breathing, and in some cases, this is due to emphysema—an illness of the breathing apparatus. It causes their lungs gradually to lose the capacity to take in fresh air and to breathe out the waste materials which would otherwise accumulate in the body's circulatory system.

A healthy person is hardly conscious of his breathing, or the fact that this physical process is going on all the time. His respiration works like a quiet, consci-

entious janitor who is never seen or heard. But the person who has begun to have shortness of breath whenever he attempts even moderate exercise or activities becomes uncomfortably aware of that "janitor."

Emphysema develops quite gradually. Most often it affects men, usually in the middle years. Coughing spells, and swollen ankles by evening are other symptoms.

Lung capacity can be measured. When suspicious signs like frequent cough and shortness of breath occur, your TB association recommends that you see your doctor and get the story from him. Respiratory ills can be treated, thanks to a variety of re-

FRED NARDI

You have expressed your confidence in me by voting me your Selectman. I wish to take this opportunity to thank you. My chief concern as I stated during my campaign was our high tax rate. When I take office in January, I again repeat my pledge to you, that the reduction of our tax rate will be my number 1 project. A special thank you to my hard-working committee. Finally a very humble and grateful thank you to you, the citizens of Agawam.

## SPORTSMEN'S CORNER

By Bill Chiba

Doc Blanchard, dentist from West Springfield, Stan Berchulski, Daily News Outdoor Editor, Larry Fountain, Longmeadow Industrialist, and this writer journeyed recently to Moosup, Conn., for some of the finest pheasant shooting we have had this year. The Snake Meadow Club, was our host, and Ted Boskovich, director of the club, left nothing undone to make our day a pleasant one.

### Stable Operation

The Snake Meadow Club boasts a membership of 100 and a waiting list for membership of over that amount. The dues are \$100. for the first year, and \$30. per year thereafter. In order for a sportsman to become a member he must be recommended by a club member and then serve a trial period of one year before

being voted upon. During the year, the prospective member must show his desire to become a good member by the amount of work he volunteers to undertake. In other words, money will not buy a membership into this organization, only personal endeavor will. Does this system of operating a club work? Well, the Snake Meadow Club holds 400 acres and a very modern club house without a mortgage, a 10-acre pond stocked with trout weighing from two to three pounds, their own trout hatchery, fed by well water that never freezes in the winter, thus allowing the trout to put on weight during the very cold months, picnic grounds, and fireplaces for the membership use.

Over 32 pheasants were bagged by the guests during the day. Paul Kukonen was kept busy with his camera making a movie of the spectacular. Ken Botty, editor of the Worcester Gazette, shot some very impressive stills of the birds being downed, and no doubt we will read about the day's shooting in one of the major magazines. Ken writes frequently for the national publications.

The club sponsors a monthly steak dinner that caters to 250 to 300 heavy eaters. We were introduced to a sample dinner in the evening. The meal was fabulous—words can't describe it. George Godell, president, Hector Maggia, secretary, and Joseph Damato, director, were on hand all day just seeing to our every need. I'm certainly looking forward to another trip in the near future.

The deer kill in Vermont (bucks only) as of Nov. 13th is 7,156. Last year's reported kill on this date was 3,894. Quite an increase . . . look for a record kill this year.

### West Side Results

The West Springfield Fish and Game held its ninth turkey shoot Sunday. The lucky winners were Don Yacovone, Mr. Durocher, Paul Broz, Lew Morris, Harold Nowill, Sr. (took two birds), Harold Nowill, Jr., George Seymour, Lee Champigny, Bernie Yargeau, and Santo Demiechele.

The club held its first women's competition with 15 of the fair sex competing. Mary Ann Maloni, Springfield, was the lucky winner with a perfect shot into

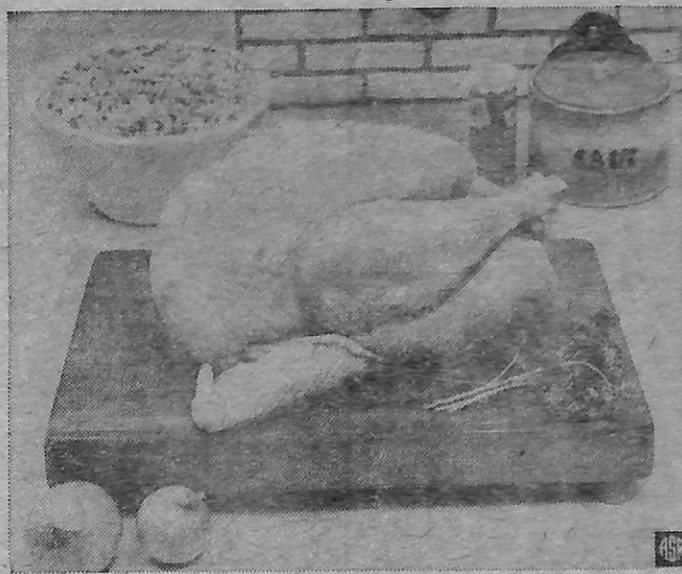

the center of the bulls eye. Al Christopher is still the leading gun for the \$25. dollar war bond with four pressing him very close. There are three shoots left in this fall's round robin. Next Sunday there will be a special shoot for youngsters up to the age of 14. The guns used will be 410 gauge.

The committee putting on the shoots consist of Bob Bernier, chairman, Mert Wills, Hap Four-nier, Paul Broz, Albert Guidetti, Fred Giodana, and Harold Nowill. The proceeds will be used to sponsor the Kids Fishing Derby next spring.

## Best Turkey Ever!

A plump, golden-brown turkey on the table is the season's No. 1 tradition. In this day and age knowing cooks know that preparing the bird is not a complicated job. They know, too, that the simple addition of Ac'cent will make their turkey more flavorful, both inside and out. You'll have the best turkey ever this year if you'll follow these easy tips:

- Estimate the number of servings desired for the traditional holiday feast and afterward. A 6- to 8-pound bird serves about 10; a 14- to 16-pound bird about 20.

- Store frozen turkey in its wrapper to retain its moisture. Thaw gradually in the refrigerator, allowing about 12 hours for a small turkey and 24 hours for a large one. Remove wrapped giblets from turkey cavity.

- Wash turkey in cold running water. Pat inside dry with paper towels and leave outside moist.

- Sprinkle the skin and cavities with Ac'cent to bring out the natural turkey flavor and emphasize the juicy quality of the meat. Use ½ teaspoon Ac'cent per pound of turkey. Sprinkle half the amount over the skin and inside the cavities; divide remainder between stuffing and gravy.

- Allow about ¾ cup stuffing per pound of bird and pack loosely; it swells during roasting.

- Roast turkey in a slow oven (325°F.) under a "tent" of aluminum foil to eliminate basting. Allow about 30 minutes a pound for birds under 12 pounds, 20 to 25 minutes for larger birds.

- After bird is cooked, let it stand about 20 minutes before serving. This allows the juice to be better absorbed and makes carving easier.

authority, John T. Amber, is a must for every hunter and gun enthusiast. The all new 2nd edition Handloader's Digest at only \$2.95, by John T. Amber, is the encyclopedia for rifle, pistol and shotgun reloaders. For the fisherman in the family, Tom McNally has edited the Fishermen's Digest at only \$3.95, that will provide hours of armchair fishing enjoyment for every Izaak Walton devotee regardless of age or experience.

The three books are now available at your local sporting goods dealer, or you can obtain them direct, postpaid from the publisher. The Gun Digest Association, 4540 West Madison Stret, Chicago, Illinois.

## THE FAITH OF PILGRIMS

In a Thanksgiving message, Director J. Edgar Hoover of the FBI paid a moving tribute to the Pilgrims and the ideals they left to us. Then he said: "Regrettably, too many Americans no longer care about religious ideals and heritage. To some, our country is a fantasyland filled with complimentary handouts of rights and freedoms without obligations. With patent indifference they shirk the mere suggestion of individual responsibility. Their purpose in life is lost in moral lethargy, self-indulgence, and neglect of duty."

A cynical, unthinking attitude such as Mr. Hoover describes can, if ever it becomes widespread enough, prove suicidal for this or any nation.

The Board of Directors of the Agawam Lions Club met recently at President's Nick Zucco's home and accepted the budget for the ensuing year as compiled by the Finance Committee under Chairman Robert Schilling. Other members of the committee are Frank Hardina, Robert Watson, John Magovern, Philip Hembdt, and Leslie Moore, Jr.

At the last meeting, Nov. 18th at the Federal Hill Club, District Governor Arthur Tinney made his official visitations accompanied by Cabinet Sec.-Treas., Bernie Maroney of Cheshire, Deputy Dist. Gov. Oyide Cadram of East Springfield, and Zone Chairman Ray Garcia of Southwick. He inducted three new members into the Club, John Moltenbrey, Laurence Andrews, and Kazimierz Zalucki. Another of the highlights of the meeting was the presentation of a Lions Plaque to Al (Corn King) Christopher, reading: "In Appreciation. Presented to Albert J. Christopher for his generosity and kindness. A true friend of the Agawam Lions Club. 1964."

100% Perfect Attendance Pins were presented to 30 members who had not missed a meeting this past year: George Andrews, Bill Bernardara, Ken Burton, Stan Call, John Campbell, Tom Cascio, Don Catchepaugh, Ken Clouse, Bernie Dowd, Joe Ferrari, Art Fuchs, John Galica, Frank Hardina, Ray Harris, Chet Mats, Henry McGowan, John Mercadante, Les Moore, Jr., Bruce Notman, Louis Pedulla, John Porter, Woody Roberts, Bob Schilling, Duane Stebbins, Tom Vella, Jim Votsakis, Bob Watson, Nick Zucco and Wyly Braue.

Paul Monson will give his talk on the small European countries he visited this summer at the Dec. 2nd meeting.

The annual Children's Christmas Party will be held on Sunday, Dec. 13th, at the Agawam Congregational Church Hall, for boys and girls with Chairman Art Armstrong in charge.

Dec. 16th will be the Club's annual Christmas Stag Party at Tinti's, under the chairmanship of Louis DePalma.

### Senior Class Play

The senior class play "Cheaper by the Dozen," was a great success. The play captured the audience with laughter and joy, with hardly a dull moment. It was a superb display of talent.

At the end of the play, roses were presented to Mrs. Peavie and Mrs. McLeod. Carnations were presented to Miss Shilling, the art teacher, who did a tremendous job with scenery.

Many thanks would like to be extended to the sound and lighting crew who displayed a wonderful job. Thanks also should be expressed to Jackie Letalien who contributed hard work and much time to the success of the play.

Following the play a party was given at the home of Jerri Davil-

li for the entire cast and crew.

F. T. of A.

The Future Teachers of America had two guest speakers to talk about their trip to Egypt. Misses Ryan and Poplewski who are sophomores from Springfield College, took a trip to Egypt with the "Cross Roads Africa" group. They spent the summer with people of Egypt and took pictures to bring back to America.

Through careful planning, these girls got \$1,000 from people they didn't know. They borrowed money from people, promising to give talks and show pictures when they returned. They told the group that one of the interesting things was that the people of Egypt loved to watch the American people do the "twist." The "twist" is very similar to the Egyptian "belly-dancer."

### Representatives

At the senior class meeting last Wednesday five boys were nominated to represent Agawam High School on Government Day. The boys nominated were: Bob Swanson, Charles Guyette, Russell Ramah, Zennon Stalmack, and Bill Henry. One boy will be chosen out of these five.

The senior class also nominated five girls to represent Agawam High School at D.A.R., Daughters of American Revolution. The girls nominated were: Judy Morrissey, Linda Lloyd, Linda Baurifaldi, Joanne Bouvais, and Anne Dezielle. One girl will be chosen out of these five.

### Football

CONGRATULATIONS to the football team. Agawam's game against Westfield really topped the season off by getting a score of 48-18. I am sure that Coach Leonardi and Coach Kibbe are real proud of the boys and of the good, clean games that have been played this season. Congratula-

tions again for a wonderful job this season.

### Hockey

As the football season goes out the hockey season comes in. Mr. Fassnacht, coach, has already started to practice with the boys. Good luck to the hockey team this year.

### PROMENADERS

By Al and Elaine Toupier

We are proud to say that within the last two weeks the Agawam Promenaders have brought back to our club two banners. One was from Windsor Old Towners, Windsor, Conn., with eight couples dancing to the calling of our own Dick Steele. The second banner was awarded by Belles 'n Beaus of Easthampton, Mass., at which we had a near record turnout of 15 couples. We were certainly glad to see much enthusiasm and hope it continues. Don Blair was the caller in Easthampton. At both dances the Promenaders had a grand time dancing.

Last Thursday night several of our Promenaders attended the Benefit Dance sponsored by the Agawam Women's Club. The dance was for the benefit of their scholarship fund. Those attending danced to the calling of Dick Mastriani, Buzz Chapman and Al Bessette.

This Friday we will be dancing at Feeding Hills Congregational Church, Feeding Hills Center, for our regular dance. Dick Steele will be with us, also Dom and Arlene DClementi will be on hand to serve some scrumptious refreshments.

Still in the planning stages is another banner dance for the night of Dec. 5. More details will be announced, so keep this date in mind.

### CAMPAIGN SPENDING

Democratic and Republican contenders for the top state offices in Massachusetts spent an estimated \$2 million on their recent campaigns.

Probably the most interesting comparison in the fund-raising data is the \$352,968 figure raised by Gov. John A. Volpe by Oct. 31 and the \$746,522 figure raised by defeated candidate Francis X. Bellotti during the same period. Mr. Bellotti spent about \$300,000 of his cash receipts to wage the September primary campaign.

Republicans fared better than the Democrats, however, in the case of candidates for lieutenant governor and attorney general. According to the figures released by Secretary of State Kevin H.

White Tuesday, by Oct. 31, Lt. Gov.-Elect Elliot Richardson (R) collected \$267,358 in campaign help while his opponent John Costello (D) reported receipts of \$32,729.

Attorney General Edward W. Brooke raised \$232,997 according to the secretary's report, while James H. Hennigan, the Democratic opponent drew \$29,102.

These financial reports must be filed monthly by statewide candidates according to the two-year-old full disclosure law. They were released Tuesday at the same time as Sen. Francis X. McCann (D) of Cambridge filed legislation to prohibit any candidate from spending more during his campaign than he would earn in the office he wanted.

## Doubled Insurance For Motorists?

Doubling of mandatory coverage under compulsory automobile personal liability insurance is sought under a bill filed by C. Eugene Farnam, State Commissioner of Insurance, for consideration by the 1965 Massachusetts Legislature.

Under the Farnam bill minimum coverage would be \$10,000 for the injury or death to one person and \$20,000 for more than one person. At present the com-

pulsory coverage is \$5,000-\$10,000. Commissioner Farnam also proposed that \$5,000 coverage for property damage be made mandatory. In addition he urged adoption of a model law for the regulation of credit life, accident, and health insurance.
